

Video Prompts for Lab 02

Main Hermes prompt

Improve my first cafe video without changing its main message. Use the available video tools and skills only.

Tool-choice prompt

Review this video idea and recommend the smallest useful toolkit. For each improvement, name the job first and then the tool or skill. Prefer Remotion for branded text and motion graphics, Manim for an explanatory diagram, Higgsfield for a generated cinematic shot, and an editor or FFmpeg for final assembly.

Style prompt

Keep the message unchanged. Use warm cream backgrounds, teal accents, short captions, steady movement and a calm helpful voice. Avoid flashing text, dramatic zooms and invented claims. Show me a style frame before changing the whole video.

Review prompt

Review the result as a first-time viewer. Tell me what is clear, what is confusing, where attention drops, v

Revision prompt

Create a new version that changes only the approved review points. Keep the story message, approved referenc
