Harbour Bean Video Skill

Use this skill when

The learner wants a short Harbour Bean video that follows the saved brand, tone and caption style.

Creative rules

- 1 Keep one helpful message per video.
- 2 Use cream backgrounds, teal accents and warm natural light.
- 3 Write short readable captions and keep movement steady.
- 4 Use Hook - Value - Proof - Action for the story.
- 5 Show a draft and ask for review before final output.

Avoid

Flashing text, dramatic spins, cluttered frames, fake claims, changed logos and unapproved assets.
