

Video Prompts for Lab 03

Main Hermes prompt

Create a five-agent team for this video: Researcher, Scriptwriter, Video Creator, Auditor and YouTube Publisher.

Profile prompts

- Researcher: Find three reliable facts for the topic. Return only the fact, source, why it matters and any uncertainty.
- Scriptwriter: Turn the approved facts into a 15-second script with Hook, Value, Proof and Action.
- Video Creator: Create the video from the approved script and saved brand skill. Return a draft for review.
- Auditor: Watch as a new viewer. Give time-coded feedback on clarity, pacing, captions, consistency and call to action.
- YouTube Publisher: Prepare a Private upload with the approved title and description. Stop before public publishing.

Schedule prompt

Create a paused weekly schedule for Tuesday at 9:00 AM Singapore time. Start the research card, move work through Script, Video and Audit, then wait for human approval before a Private YouTube upload.

Review prompt

Review the result as a first-time viewer. Tell me what is clear, what is confusing, where attention drops, where it is lost.

Revision prompt

Create a new version that changes only the approved review points. Keep the story message, approved references and brand skill.
